**LOWER PAVILION GARDEN AT GREEN HILL PARK**

This spring Worcester Garden Club will concentrate on the western side of the lower garden surrounding the Pavilion terrace retaining wall at Green Hill Park. The garden area is delineated by the installation of beautiful granite cobblestones that were installed last fall. Hostas were selected at that time to be planted in the shade under the two existing Sugar Maples.

**THIS SPRING 2017 WORCESTER GARDEN CLUB REQUESTS \$1829 TO PLANT MOSTLY NATIVE DROUGHT TOLERANT PLANTS THAT ATTRACT POLLINATORS FOR THE SUNNY GARDEN.**
